**Wayne Williams, Allen Darren : 1001 Ridiculous Ways To Lose A Fortune** before purchasing it in order to gage whether or not it would be worth my time, and all praised 1001 Ridiculous Ways To Lose A Fortune:

You'll find hundreds of entertaining accounts of financial misadventure in "1001 Ridiculous Ways To Lose a Fortune" - the greatest collection of funny, crazy and mind-boggling stories of financial loss ever assembled. The trader who went on holiday with a stock trade open, and came back to discover he'd lost a fortune; the fat-cat director

who ruined himself and his huge firm by cracking the wrong joke; the ill-fated holder of the world's greatest casino loss playing baccarat - they're all here in this hilarious new book. "1001 Ridiculous Ways To Lose a Fortune" is nothing less than a fascinating investigation into the darkly humorous nether regions that our society is built on and is especially relevant given the global recession that shows no sign of easing up.

About the Author Wayne Williams has been writing for magazines for over 18 years. He is a full-time freelancer, writing primarily for technology and travel magazines. Darren Allan has been a freelance journalist for a large range of computer magazines and websites for the past eight years. Williams and Allan are the co-authors of *The Crap Old Days*.
