Jae K. Shim, Jonathan Lansner : 101 Investment Tools for Buying Low Selling High before purchasing it in order to gauge whether or not it would be worth my time, and all praised 101 Investment Tools for Buying Low Selling High:

4 of 7 people found the following review helpful. A Great Investment By A Customer If you're looking for a clear voice in the endless chatter about investing, this is the book for you. It makes sense -- something almost unheard of in financial publishing. A great investment.

More than just an investment dictionary, *101 Investment Tools for Buying Low and Selling High* analyzes in a concise style various investment vanes—from stock indexes to measures of affordable housing to leading economic reports. Learn what these measures are, who's compiling them, where they are easily found, and how they can, or cannot, be used to guide your investment decisions. At your fingertips are fast and reliable explanations of all the everyday terms and tools investors need, each discussed in an easy-to-follow, structured format: What is it? How is it computed? Can you give an example? Where is it found? How is it applied? How is it used for investment decision? Are there any words of caution? In today's complex climate, understanding and using such investment tools are the keys to success. New investment vehicles are introduced almost everyday. *101 Investment Tools for Buying Low and Selling High* is your guide to the best financial barometers.

"Anyone who wants to understand what makes the market tick will want to keep *101 Investment Tools* on their desk. I am really impressed with how effectively Jae and Jonathan explain how each of these market indicators works, and more importantly, how they can work for you."—Paul A. Merriman, President, Paul A. Merriman Associates
About the Author: Jae K. Shim is Professor of Business Administration at California State University, Long Beach, and a consultant for over twenty years. He is also president of the National Business Foundation.
