Nada Jones, Michelle Briody : 16 Weeks to Your Dream Business: A Weekly Planner for Entrepreneurial Women before purchasing it in order to gage whether or not it would be worth my time, and all praised 16 Weeks to Your Dream Business: A Weekly Planner for Entrepreneurial Women:

0 of 0 people found the following review helpful. Step by step workbook. By Liz This makes it easy for someone to stay focused and breaks a large topic into smaller achievable steps without having to feel overwhelmed. Gives you the "big picture" and shows you your weaknesses. I suggest reading several books on the topic of business plans that are written by different authors. Other concepts to read about are "business model" and "feasibility (idea) analysis". I highly recommend you read current book reviews posted on by Jeff Lippincott! His reviews are honest, detailed and reliably accurate. 2 of 2 people found the following review helpful. Awesome! By BakingMaven I want to start my own business, but I needed some guidance as to how to get my ducks in a row, so to speak. This book has really, really helped me along in doing that. I'm finding more of a structured path these days than before. The only thing I would like to note that I didn't find helpful was that the pages in the book are not big enough for all of the research and the exercises you need to complete. You just need to get a separate notebook or keep pages in the pockets provided in the book. I liked the separate notebook angle, personally. 0 of 0 people found the following review helpful. wonderful. full of great information By MamaNitaj I read it through fully first and then did as scheduled through the 16 weeks. Wonderful! Some weeks were tougher than others, but all were necessary and things that I may have missed had I not had this handy guide. Well worth it! A handbook for any new entrepreneur!

There are no other books on the market that guide the female entrepreneur through the process of organizing, planning, and executing a business start-up in a weekly planner format Appeals to a wide demographic-from the busy fulltime worker looking to become an entrepreneur to moms looking for a creative, lucrative outlet Includes forms, worksheets, and folders for ultimate organization and overall planning
