Way Way too SimpleBy betsy luceThis book seemed like a compilation of a series of very short very basic articles that might help a very beginning business but I thought it was a waste of money for someone who has been in business for awhile.0 of 0 people found the following review helpful. Great Ideas!!!By BadaWho would have thought should run through your mind reading this book. Great Ideas for those of us who want to break the doldrums of working in an office everyday for someone else.0 of 0 people found the following review helpful. Great ideas for small businessesBy LJDennyI couldn't wait for this book to come out. It has

so many great ideas for small businesses. I would recommend that any small business owner take a look. There is something for everyone! Linda Denny
