Designed to Build Trust Encourage Teamwork Among Employees:

It's now easier to find an activity that you think will work best for your team. The second edition of this book includes more team building activities for teams that telecommute or work from home. It also includes more activities that highlight the importance of diversity, breaking down stereotypes and acceptance.

About the Author John Peragrine was born in Miami, Florida in 1970. He grew up in the Tampa Bay area, but attended the North Carolina School of the Arts, in Winston Salem NC, for High School. He attended Florida State University and got a Bachelor's degree in Psychology from Appalachian State University. In August of 2007, he took the plunge. John had been a social worker in child protective services for far too many years, and had been toying with the idea of being a writer. He had written for a few national magazines and received positive responses for his work. He decided to quit social work and took a chance at writing full time. Luck was on his side, as his first year he was signed to write seven books for Atlantic Publishing Company. Since then he has been writing for a number of magazines including Herb Companion, Precognito, and Winemaker Magazine as well as freelance work to create workbooks, ebooks, articles, ghost write books, blogs and much more. He is now working full time filling requests and hope to get some fiction completed and published this coming year. He freelanced for the New York Times, Bloomberg News, and Reuters.
