Brian Koslow : 365 Ways to Become a Millionaire: (Without Being Born One) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 365 Ways to Become a Millionaire: (Without Being Born One):

2 of 2 people found the following review helpful. WARNING By MsTeeI have the revised edition, I just received it in the mail today. Thank God, that I didn't spend over \$6 bucks and that's including shipping fees. The title states 365 ways to become a millionaire, but it is actually just 365 quotes. The book is small. I am not the type to bash, but I am sick of these authors with these myth titles. It's just not fair to people who buy these type of books and waste their money. If it says 365 ways..I expect to really be told how to do so. This is a warning, you can take the risk of buying it..if you want it just to have or whatever, but if you're really looking for something serious just like one of the other bull**** books you may have picked up, I promise this will be another one to add to that collection. However, to each his own. But I told you so.0 of 1 people found the following review helpful. " but all pretty helpful.By rryr1 Practical tips to making wise financial choices, some are witty, some are wise, some are "common sense," but all pretty helpful.13 of 14 people found the following review helpful. Excellent Motivational Tool By EnricoI found 365 Ways To Become A Millionaire... to be an excellent source of information. Koslow's book is as much about financial gain as it is about commitment, responsibility, credibility trust. I found the chapter on negotiation to be especially powerful. Koslow's style enlightening insights make this book a must read for those looking for personal professional growth.

A self-made millionaire shares the secrets of his success in this updated and repackaged classic. Brian Koslow made his first million dollars by the time he was thirty-one, and as an executive coach he's helped others do the same. In *365 Ways to Become a Millionaire*, Koslow shares the principles that put him on the road to wealth and invites readers to follow the same path to their own fortunes. Through 365 practical and philosophical tips, Koslow shows people how to build a mind-set for success and turn their wealth-building aspirations into reality. For anyone ready to stop dreaming about wealth and start building it, *365 Ways to Become a Millionaire* will show them the way.
