Lee J. Colan : 7 Moments that Define Excellent Leaders before purchasing it in order to gauge whether or not it would be worth my time, and all praised 7 Moments that Define Excellent Leaders:

0 of 0 people found the following review helpful. Five StarsBy Deborah B.Great book0 of 0 people found the following review helpful. book reviewBy AndrzejExcellent book. Simple and clear. Defining moments that are building blocks of leadership excellence are what I think about leadership in general.Nice stories that illustrate the

moments.4 of 4 people found the following review helpful. weLEAD Book Review by the Editor of leadingtoday.orgBy Greg L. ThomasLee J. Colan wants you to seize the moment! Not just any moment, but one of the individual moments that we experience every day. These are literal and defining moments that can change us forever. These are special moments that have the potential to change our perspective and direction.7 Moments... is one of those short but insightful books that is a pleasure to read and ponder. Lee Colan expands upon the powerful influence of these moments and encourages the reader to create defining moments for others every day. He explains, "In fact, the pathway to leadership excellence is paved with these moments - positive defining moments we create for others".After a brief introduction, the book is composed of seven chapters, one for each defining moment that Colan defines as an opportunity for self discovery, mentoring others and achieving your personal best. Each chapter outlines some useful common sense principles seasoned with bullet points, rich personal examples and pensive quotations. The end of each chapter provides a brief summary including some questions to ponder about the chapter's content.7 Moments... is written casually and is easy to read in a few hours. The author enriches the book with interesting modern examples and success stories to highlight the major points in each chapter. The reader can also visit the author's website and take a free assessment analysis based on the book. The assessment provides a personalized plan to help the reader grow as a leader. The content of this fine book is not revolutionary, but it will cause you to meditate on some important concepts that we often overlook in our busy lives.

How long does it take to build Leadership Excellence? Just moments defining moments, that is.The moment we commit ourselves to a goal. The moment we create a compelling plan to realize our vision. The moment of honest self-reflection that urges us to take action. The moment we decide to invest in others. The moment we choose to change. The moment we take a stand for what we believe.The difference between average and excellent can be found in moments... literally. Seize the moment to read and apply this book, and you will be one step closer to leadership excellence!

7 Moments skillfully outlines how defining moments shape our legacy. -- Jeff Lamb, VP, Southwest AirlinesBy applying Lee's practical and inspiring insights, you can take a big step toward achieving excellence. -- Roger T. Staubach, CEO, The Staubach CompanyYou must read the story of Butch O' Hare, you will remember it, every time you change planes in Chicago. -- Steve Leven, SVP, Texas InstrumentsAbout the AuthorLee J.
