In today's fast-paced world, it's tough to find the time to read. But with Joosr guides, you can get the key insights from bestselling non-fiction titles in less than 20 minutes. Whether you want to gain knowledge on the go or find the books you'll love, Joosr's brief and accessible eBook summaries fit into your life. Find out more at joosr.com. What is the difference between the individuals who achieve greatness and those who don't-and how can you be one of the great ones? Find out what it takes to be the best at what you do, and use your own unique abilities to achieve more by discovering your element. The Element discusses how you can find your element, and what to do with this when you do. You will learn how to recognize and value your natural gifts, using them to pursue something that can bring you great success. Identify your own distinctive advantages and realize just how greatly your life can improve when you seek your element. You will learn:

- What the element is and how to find yours
- That having the right attitude will naturally take you to your element
- Why the right group of people can change the way you see and use your talent.
