**Lynford Graham, D. R. Carmichael : Accountants' Handbook, Financial Accounting and General Topics: Volume One** before purchasing it in order to gage whether or not it would be worth my time, and all praised Accountants' Handbook, Financial Accounting and General Topics: Volume One:

This highly regarded reference is relied on by a considerable part of the accounting profession in their day-to-day work. This comprehensive resource is widely recognized and relied on as a single reference source that provides answers to all reasonable questions on accounting and financial reporting asked by accountants, auditors, bankers,

lawyers, financial analysts, and other preparers and users of accounting information. The new edition reflects the new FASB Codification, and includes expanded coverage of fair value and guidance on developing fair value estimates, fraud risk and exposure, healthcare, and IFRS.
