Borja In my opinion, the way on which the Accounting Dictionary has been structured, makes it highly useful in practical terms. I think the Accounting Dictionary and the Webster's Business Dictionary -previously bought-, are both an invaluable source of information and reference. Thank you

En mi opinion, la forma en que el Diccionario de Contabilidad ha sido estructurado, lo hace sumamente util, en terminos practicos. Considero que el Diccionario de Contabilidad y el Diccionario Webster para Negocios, adquirido previamente, constituyen ambos, una fuente invaluable de informacion y referencia. Muchas gracias
