**Speedy Publishing : Accounting Equations And Answers (Speedy Study Guides) (Accounting Principles For Students)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Accounting Equations And Answers (Speedy Study Guides) (Accounting Principles For Students):

Students can write down the equations on note cards so that they can learn about the placement of the numbers and symbols that are used. When students feel like they know they equations, they can have someone quiz them and look at the answers to see if they are right.
