**Stephen Marley , Jeffrey Pedersen : Accounting for Business: An Introduction** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Accounting for Business: An Introduction:

Accounting for Business: An Introduction, second edition, has been thoroughly revised to provide vocational students with a comprehensive overview of key financial principles. Its business-oriented focus combined with a clear, concise writing style and an approach proven successful in the first edition helps students gain competency in preliminary accounting concepts and applications in a practical way. Students will learn the principles that underpin the recording and control of business transactions. They will also learn how to build an accounting system for

commercial businesses, ranging from the smallest enterprise to a larger trading business.
