From Asian Development Bank : ADB Annual Report 2011 (ADB Annual Reports) before purchasing it in order to gage whether or not it would be worth my time, and all praised ADB Annual Report 2011 (ADB Annual Reports):

In 2011, the Asian Development Bank (ADB) approved \$21.72 billion in financing operations, representing a 14.5% increase on 2010 financing, according to the latest Annual Report of the Board of Directors to the Board of Governors. The 2011 Annual Report highlights how ADB has helped developing member countries in Asia and the Pacific make progress toward inclusive growth. It includes a comprehensive discussion on ADB's operational, administrative, and financial activities in 2011, complete financial statements and opinions of the independent auditors, and a separate report on the activities of the Special Funds of ADB. It also contains chapters on regional, sectoral and thematic

highlights.
