Gail Voisin : All Together Now: Vision, Leadership, and Wellness before purchasing it in order to gage whether or not it would be worth my time, and all praised All Together Now: Vision, Leadership, and Wellness:

1 of 1 people found the following review helpful. A wealth of information - fantastic read!By Aaron AI love the way that Gail has drawn information from so many sources including her own personal experiences and wisdom and synthesizes it in such a way that makes it very easy to understand. A fantastic read with a wealth of information with just enough story to keep it moving perfectly.

Achieving outstanding personal and organizational success in our busy, chaotic world requires a leading-edge set of skills for 21st-century executives and leaders. All Together Now teaches executives and leaders to align the three key areas of Vision, Leadership, and Wellness to measure and sustain high performance levels.

"All Together Now is a wonderful read for anyone who is seeking balance and harmony in their life. I highly recommend reading this book if you are on the fast track and want to take a few minutes to step back and reevaluate what is important." (Insidepersonalgrowth.com) It sounds fairly simple: merge three important components to create a winning combination. But as any gourmet chef knows, having the right ingredients on hand is just the beginning. Enter Gail Voisin, who, like a Julia Child of the executive coaching world, whips up beautiful and tasty masterpieces. All Together Now is the only recipe you'll need for personal and professional success! (Dr. Marshall Goldsmith) From the Inside Flap
