D. Lo : Alternatives to Neoliberal Globalization: Studies in the Political Economy of Institutions and Late Development before purchasing it in order to gage whether or not it would be worth my time, and all praised Alternatives to Neoliberal Globalization: Studies in the Political Economy of Institutions and Late Development:

This book seeks to clarify the positive and negative lessons in the experiences of late development under neoliberal globalization. Dic Lo explores competing theories, with a view to constructing an alternative synthesis that transcends neoliberalism, placing greater emphasis on solidarity and humanistic development.
