Arnold Stead : Always on Strike: Frank Little and the Western Wobblies before purchasing it in order to gage whether or not it would be worth my time, and all praised Always on Strike: Frank Little and the Western Wobblies:

14 of 25 people found the following review helpful. This doesn't mean the book is bad, but it does mean the author should be ...By John BrownPeople who read this book should know that the author, Arnold Stead, back in the 1970s made a deal with federal prosecutors and testified for the government against four young activists on trial in Kansas City in a bombing conspiracy case run by the Nixon Justice Department. This doesn't mean the book is bad, but it does mean the author should be up front about his own less then heroic past. The author may write about Frank Little, but he surely is no Frank Little.

Though widely recognized as one of the Industrial Workers of the World's leading members and one of its most prominent militants, this is the first book-length biography of Frank Little. Little's life offers innumerable lessons for working class people facing many of the same economic injustices in today's world. Arnold Stead, PhD, is a poet, fiction writer, historian, playwright, and jazz and film critic. He lives in Minneapolis, Minnesota, with his wife and family.

"Today, Frank Little gets remembered as another Wobbly martyr, overshadowed by folksinger and labor organizer Joe Hill. But as historian Irving Werstein wrote, "Next to Big Bill Haywood, Frank Little was the most vital leader of the IWW." Arnold Stead's short and engaging *Always on Strike: Frank Little and the Western Wobblies* aims to recover his mighty struggles and special boldness as object lessons for left-wingers organizing in the shadow of the Great Recession...."[I]n today's working class and left movement, which is only yet regaining the confidence to strike and struggle in isolated pockets, Stead's words hit the nail on the head. And so does Frank Little's story."—Socialist Worker
