M C Shukla, S C Gupta, T S Grewal : AN INTRODUCTION TO A/C before purchasing it in order to gage whether or not it would be worth my time, and all praised AN INTRODUCTION TO A/C:

This book is thoroughly revised and updated tenth edition of 'Introduction to Accountancy'. The following are the important features of the present edition of this book : To give all the questions and illustrations a contemporary look, everywhere dates have been changed and wherever found desirable, the amounts have also been enlarged. Wherever very large amounts are involved, they have been expressed as multiples of thousand after making the necessary

changes.
