**Larry R. Katzen : And You Thought Accountants Were Boring: My Life Inside Arthur Andersen** before purchasing it in order to gauge whether or not it would be worth my time, and all praised And You Thought Accountants Were Boring: My Life Inside Arthur Andersen:

3 of 3 people found the following review helpful. Great StoryBy steve novikGreat story from an insider's journey with Arthur Anderson. The book reinforces what a travesty of justice occurred when Arthur Andersen was unjustly indicted by the US Department Of Justice. Although the Supreme Court subsequently overturned the conviction of the Firm, it is a small consolation to the men and women whose lives were turned upside down when Arthur Andersen was forced out of business.1 of 1 people found the following review helpful. This has great insight into the family and client relationships that Big ...By Mark S. MerrimanI am a former Andersen partner so this story was close to my heart. This has great insight into the family and client relationships that Big 4 CPAs face. It is a wonderful behind the scenes view

of a career in the profession and is a great read for anyone interested in this area. 2 of 2 people found the following review helpful. A worthwhile business read. By Mickey Kesselman It is a primer on how to network, relationship building, business ethics and how destructive our government can be. There are excellent business tips within.

Ingenuity. Indictments. Injustice. Arthur Andersen: an innovative accounting firm brought down by governmental false accusations. Political fodder in the government's prosecution of Enron, the company was unjustly dismantled for its supposed connections to the corruption. The company was later vindicated by a 9 - 0 supreme court ruling, but it was too late. The impact was devastating. Thousands of employees were suddenly tarnished by the Arthur Andersen name, left reeling in the aftershock. Meet one of them: Larry Katzen. An honorable, hardworking man who devoted his life to Arthur Andersen, Larry was there from the company's meteoric rise to its unjust demise. This is his story.
