**Liu Mannie Manhong Et Al : Angels Without Borders:Trends and Policies Shaping Angel Investment Worldwide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Angels Without Borders:Trends and Policies Shaping Angel Investment Worldwide:

1 of 1 people found the following review helpful. Five StarsBy RebeccaAwesome!

"Angel investors" provide small amounts of capital (\$100kndash;\$3m) to early stage, high-risk ventures. In recent

years, they have not only grown in numbers and sophistication, they have garnered the attention of larger investors and governments throughout the world who are interested in the phenomenal power of startups to bring innovative products to consumers, create jobs and economic value, and sustain macroeconomic growth. This comes as no surprise. Some of the world's most valuable and influential companies, such as Google, Facebook, and Uber were able to survive and thrive their make-or-break early years only through the backing of angels. *Angels Without Borders: Trends and Policies Shaping Angel Investment Worldwide*, drawing on chapter contributors from more than two dozen nations, will be the only book on the market to examine this trend from a global perspective. It is a very useful reference for anyone who is interested in learning about the angel investment movement.
