Steven W. Poser : Applying Elliot Wave Theory Profitably (Wiley Trading) before purchasing it in order to gage whether or not it would be worth my time, and all praised Applying Elliot Wave Theory Profitably (Wiley Trading):

0 of 1 people found the following review helpful. The problem is from not from authorBy suymengthe website not tell this before buy this book . This book lack the detail and clarity of the originals version.Some where I can't digest the letter "n" or "ri" or "h" and somewhere "t" or "f" . I am Thai not US people I am not good english to guess the word . I am low vision person and still poor the money buy this book I can use it to buy food for 10 days,But I want to buy

the legal book and now I lose the money . I think I should be read only book free for internet and illegal it don"t use money . The website should be responsibly for this problem.

Learn how to forecast the market with Elliott Wave Theory In Applying Elliott Wave Theory Profitably author Steven Poser shows readers how to trade using Elliott Wave Theory-a powerful technical analysis tool used to forecast the stock market-through easy-to-follow trading strategies, while offering clear explanations on how to interpret this method's numerous patterns. Step-by-step guidance breaks down the Elliott Wave Theory and provides strategies that a trader can put into action along with a complete explanation of how and why the Elliott Wave Theory works. Applying Elliott Wave Theory Profitably shows readers where to look for external clues, and how to use these to improve their trading performance. Steven W. Poser (Upper Saddle River, NJ) is President and founder of Poser Global Market Strategies Inc., an international stock, bond, and currency markets trading advisory firm. Mr. Poser publishes a daily newsletter that covers these markets from a technical and fundamental perspective. He holds a post-MBA degree in finance, as well as an MBA in economics and a BA in mathematics and computer science.
