Zig Ziglar, Dwight "Ike" Reighard : The One Year Daily Insights with Zig Ziglar (One Year Signature Line) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The One Year Daily Insights with Zig Ziglar (One Year Signature Line):

So, since I spotted this on the Kindle freebie list I said "Why not?" I have read a few days of these devotionals and I must say that they are good. Not only

do they offer scripture to you, but they give details and some reading to go along with them. At the end you are left with some questions to help you ponder or learn or apply what you just read. It is well written and easy to follow. The dates are on each one with a table of contents to let you jump right to whatever time of year it is. They aren't too long or too short. I often find that many devotionals end up taking quite a long time to read or others take like a few seconds and I don't even remember what I read. So, this is a good one (so far), and I would recommend. 15 of 16 people found the following review helpful. Great devotional to start your day By J. Kennel The One Year Daily Insights with Zig Ziglar and Dr. Ike Reighard This is a devotional book with dates on each page, so you can start it any time, and any year. Each page has a topic, one scripture verse, a reading, two questions, and a quote by various speakers and public figures. Here are examples of questions and quotes: Do you want to be the kind of wise person who has a profound influence on others? Why or why not? Are you willing to pay the price? Explain your answer. What's the best news you've ever received? How do you respond to criticism? What are the common temptations you face everyday? How can you overcome bitterness? What are some recurring situations that cause you to run away in fear or fight back in defiance? Who are the people you trust to tell you the truth? What are some things you tend to worry about? "To see His star is good, but to see His face is better." D.L. Moody "To disregard what the world thinks of us is not only arrogant but utterly shameless." Cicero "The only question Jesus ever asked God is 'Why have you forsaken me?' This is the same question most every believer asks at some point in their spiritual journey." Ike Reighard "He who is not everyday conquering some fear has not learned the secret of life." Ralph Waldo Emerson There is a small space at the bottom of each page, so you could write a couple of thoughts in the book if you wanted to as you go through the daily reading. Good train reading. Also would be a nice springboard for a Christian accountability group to go through together and discuss the various topics. 2 of 2 people found the following review helpful. A great daily reader... By LBennett This is a great book for someone who is trying to discover more about their spirituality or faith. In the past I found myself intimidated by books weighted so heavily on scripture. This book gives a verse, explains the story behind it so you can better understand it and then asks you to look inward at your own heart and life and how you can be better in all areas. It bounces around to all kinds of topics, like family, friends, service to others and even stress management and how to balance doing what you enjoy with doing what you are obligated to do. Each day is numbered so you can start any time of year and each daily lesson isn't overly long so you can always get caught back up should you skip a few days! I highly recommend it!

Even in tragedy, God through His Word offers hope for those who seek and believe. It starts with the promise of a better tomorrow, of life everlasting, of eternal peace. It's called faith, and it offers hope where none existed. —Zig Ziglar
