Arkadi Kuhlmann, Bruce Philp : The Orange Code: How ING Direct Succeeded by Being a Rebel with a Cause before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Orange Code: How ING Direct Succeeded by Being a Rebel with a Cause:

1 of 1 people found the following review helpful. Who's talking?By Joey D.4 stars for me on this one. I thought the content was great, but I wasn't a huge fan of how it was written. It was easily understandable, but it switches between two authors in regards to who is speaking. It's understandable, but different.All in all a good read though. Excellent

methods that can easily translate over any business lines.0 of 0 people found the following review helpful. this may be the perfect book for youBy D.For anyone with a unique business, this may be the perfect book for you. I was glued to this book for a week. A lot of great information about a code that people can follow or implement to their own situation.1 of 1 people found the following review helpful. Orange CodeBy S. ScottI think that this was a good book for a different strategy. ING has now been taken over by Capital One Bank. I think ING had to go t the dark side of banking. I will say that Capital one has not changed the way I save in my account. I give them kudos for that.

How championing consumers led to ING Direct's revolutionary rise in the banking industry In an industry dominated by big banks with little patience for their customers, ING Direct has always strived to be different-a rebel with a cause, if you will-and in doing so, they've become the most successful online banking venture in history. The Orange Code recounts ING Direct's intriguing story, explaining the philosophy of its founder Arkadi Kuhlmann-who believes in the power of individuals to control their financial destiny-and his long-running partnership with Bruce Philp, the branding consultant who helped him make ING Direct a cause to its own people and a household name across North America. Discusses the unconventional approach to business strategy, leadership, and management that built ING Direct Written by the company's CEO, Arkadi Kuhlmann, the driving force behind this unique company and its approach and Bruce Philp, the branding expert who has worked with some of the world's most well-known and valuable brands Reveals how the cause of personal financial empowerment has made everyone a winner in the ING Direct story The level of success achieved by ING Direct holds some important lessons and offers some much-needed inspiration to a business world that could use a little of both right now.
