**Ryuhō Okawa : The Philosophy of Progress: Higher Thinking for Developing Infinite Prosperity** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Philosophy of Progress: Higher Thinking for Developing Infinite Prosperity:

What is wealth? Is money good or evil? These have been controversial issues and no one ever seems to have answered these simple questions clearly. In this book, Ryuho Okawa provides us with answers on wealth, prosperity, and progress from a perspective based on spiritual truth. He teaches that as long as people hold on to poverty in their minds, they will never become wealthy.
