Joel D. Aberdach : The Role of the State in Taiwan's Development (Comparative Politics (Hardcover)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Role of the State in Taiwan's Development (Comparative Politics (Hardcover)):

These essays are a product of a co-operative research project between American and Taiwanese social scientists. Of

particular interest is the chapter discussing a comparative study of industrial policy, productivity growth and structural change in manufacturing.
