Margaret Swett Henson, Deoloe Parmalee : The Samuel May Williams Home: The Life and Neighborhood of an Early Galveston Entrepreneur (Fred Rider Cotten Popular History Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Samuel May Williams Home: The Life and

Neighborhood of an Early Galveston Entrepreneur (Fred Rider Cotten Popular History Series):

0 of 0 people found the following review helpful. An Important Texas PioneerBy Galveston Texas ReaderHaving toured this home more than once, and being well-aware of the importance of Samuel May Williams in early Texas and particularly Galveston history, this is a good book. Samuel May Williams was definitely an important player. He played a very vital part in Texas history.

Built in the winter of 1839-1840, this house, and the Texas pioneer who inhabited it, are the central focus of this thoroughly researched and well-written study of Galveston's merchant elite; Gail Borden, Michel Menard, Thomas McKinney, and others; a generation of leaders who did much to shape their city and Texas itself.

About the Author Henson, a leading authority on early Texas, is the author of numerous books and articles.
