I can see how the situation might create some difficult family dynamics and I feel for her daughters, but Sara is a professional from top to bottom when it comes to telling her story. I've read all the books and liked them all equally. An incredibly inspiring woman.0 of 0 people found the following review helpful. Five StarsBy Marg McKeeGreat read. So down to earth. All the strength you need to achieve anything is within you. Don't wait for a light to appear at the end of the tunnel, stride down there ... and light the bloody thing yourself! After being named the Bulletin / Qantas Businesswoman of the Year in 1991, and following the phenomenal success of *From Strength to Strength*, Sara Henderson's life changed forever. Australians took her into their hearts and she became an overnight celebrity. But beyond the glory, life continued to deal Sara its heavy blows. In 1992, she lost a court case that left Bullo River, the million acre outback station she had struggled so hard to save, under threat. Then her daughter Marlee was diagnosed with cancer and Sara found herself close to breaking point. But when letters, faxes and phone calls from people all over Australia started arriving, they were filled with such compassion that Sara was inspired to carry on. In her best-selling sequel *The Strength In Us All*, Sara updates us on life at Bullo and tells more of the colourful stories about Charlie, Uncle Dick, the girls and their animals, and all the other unforgettable characters that have played a part in her remarkable life.
