Juliet B. Schor : True Wealth: How and Why Millions of Americans Are Creating a Time-Rich, Ecologically Light, Small-Scale, High-Satisfaction Economy before purchasing it in order to gage whether or not it would be worth my time, and all praised True Wealth: How and Why Millions of Americans Are Creating a Time-Rich,

Ecologically Light, Small-Scale, High-Satisfaction Economy:

1 of 1 people found the following review helpful. The system is broken, and it can be fixed!By whimJuliet B. Schor takes a great approach to bringing a balance into our society that is missing. Not too over simplify things, but the courageous and necessary act of including the cost of environment into business, government and personal choices is well stated. The book and suggested practices have stayed with me long after I read the final chapter. Time to stand up to Business As Usual!1 of 1 people found the following review helpful. Schor is to the point - we'd better listenBy martin.morandI see Juliet Schor as a sort of "post-Marxist". This builds upon her "The Overworked American" and "The Overspent American" to highlight how our focus (almost exclusively) on MORE STUFF threatens our survival0 of 0 people found the following review helpful. Very good bookBy Doug Hartmanvery challenging future we face!

A groundbreaking statement about ecological decline, suggesting a radical change in how we think about consumer goods, value, and ways to live. In *True Wealth*, economist Juliet B. Schor rejects the sacrifice message, with the insight that social innovations and new technology can simultaneously enhance our lives and protect the planet. Schor shares examples of urban farmers, DIY renovators, and others working outside the conventional market to illuminate the path away from the work-and-spend cycle and toward a new world rich in time, creativity, information, and community.
