Well think again...while they do offer some biz advice and walk you through all the basic forms in the book (various states tear away sample forms) their major selling point is the big blue starburst seal that reads INSTANT DONWLOAD OF 250+ forms....that's what sold me but that is t what you really get...You are able to download 3 forms only and use them up to 150 times. Anything else they refer you to seamlessdocs to sign up for enterprise business solutions... totally not what I expected... save yourself the hassle and just go the website on the book:Enterprise.com/formnetI am disappointed with the purchase! Specially because the only 3 forms you are able to get still contain a disclaimer watermark (bttm of page) stating the forms were free to

you.... totally not professional. 1 of 1 people found the following review helpful. The book is awesome. By Christopher Glines  
The book is easy to read. The business forms are easy to understand. Business book isn't boring at all. 0 of 0 people found the following review helpful. Two Stars By Lout dated
