employees are part of the team and encourages playfulness on the job site.No isn't in his vocabulary and how fabulous it is to know that someone like Richard Branson lives amongst us. What a light!0 of 0 people found the following review helpful. Richard Branson, who has been called "England's most outrageous billionaire," is also one of the world's most successful business leaders. Since the age of 16, when he founded Student magazine, Branson has been creating companies and finding innovative ways to grow them into the prodigious conglomerate known as the Virgin Group. At the age of 20, Branson founded a mail-order record retailer. Two years later he built a recording studio where the first artist signed to his Virgin label, Mike Oldfield, recorded the haunting soundtrack to The Exorcist. Decades later, industries as varied as entertainment (Virgin Music), retail (Virgin Megastores), transportation (Virgin Airlines), and telecommunications (Virgin Mobile) all bear Branson's business moniker. For the first time, the most thought-provoking, revealing, and inspiring quotes from Branson are compiled in a single book. Virgin Rebel: Richard Branson in His Own Words is a comprehensive guidebook to the inner workings of the Virgin Group chairman and founder. Hundreds of Branson's best quotes, comprising thoughts on business, music, entrepreneurship, politics, exploration, and life lessons, provide an intimate and direct look into the mind of this modern business icon.
