David L. Scott : Wall Street Words: An Essential A to Z Guide for Today's Investor: Valueline Edition before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wall Street Words: An Essential A to Z Guide for Today's Investor: Valueline Edition:

0 of 0 people found the following review helpful. Five Stars By WAEL H ALHINTYA must in your library 0 of 0 people found the following review helpful. A useful dictionary. By Richard Willette Got it for my kids as I use mine all the time. It is a great help with investment terminology allowing one to better understand concepts, without needing to

wallow through a text. Where needed one can use cross references. Delivery was timely.0 of 0 people found the following review helpful. Five StarsBy Sallyvery helpful for this beginner!

Whether you are managing a personal investment portfolio or a major mutual fund, this comprehensive revision of the well-respected reference to finance and investment, is a must for the home or office. Wall Street Words features nearly 4,000 terms - including hundreds of new entries- that accurately and clearly explain the language of the world of finance and investment, and contemporary case histories that offer practical, real-world applications of investment concepts and principles. The book also gives new and updated tips from experts in investment, accounting, and financial law to help you manage your money in today's market.

About the AuthorDAVID L. SCOTT is the author of more than two dozen books on finance and investing.
