**John F. MacArthur : Whose Money Is It Anyway?** before purchasing it in order to gage whether or not it would be worth my time, and all praised Whose Money Is It Anyway?:

1 of 1 people found the following review helpful. Fabulous book!By Shelly BelleThis is the most honest, comprehensive book on the reality of what the Bible really says about the basic money doctrines in Scripture. He discusses the truth about tithing, taxes, giving, pledges, and church building fund drives. He does not try to justify tithing with Old Testament Scripture; instead he does a complete study of tithing from both Old and New Testament, and shows what changes have been made for the church when Gentiles were added. A very interesting read.1 of 1

people found the following review helpful. Worthwhile basis for money management  
By Russell L. Martin  
Does how you view, obtain and use money (wealth) determine your values? Or do your values determine how you view, obtain and use money (wealth)? John MacArthur explains clearly why he believes our value system not only guides us wisely in the view, obtaining and use of wealth to bring the maximum freedom and contentment, in contradistinction to allowing the view, obtaining and use of money (wealth) determine our values. Which is the slave and which is the master? Does it matter? John MacArthur believes it does, and he explains clearly, simply, yet forcefully why. My experience confirms his view.  
1 of 1 people found the following review helpful. excellent guide to how we should view money  
By Andy L.  
Why do we give 10% of our income to church when we give our government so much more? After all, it is God who provides us with the wealth that we have. It is only right that we give it up to him to decide what we should be doing with HIS money. This book is bound to make you think twice about the ways you have been spending your money.

Reading books on money and giving typically makes us feel worse than when we began. "I don't want you to feel worse; I want you to feel better. And the path to feeling better is understanding what the Bible really says about giving and spending. This book will help you do that."  
-John MacArthur  
John MacArthur has written this no-nonsense book to affirm Christ's teaching that "it is more blessed to give than to receive." In this practical, easy-to-read book Christians can find out: How to give, where to give, and how much to give Scriptural guidelines for acquiring money and investing it  
The right and wrong ways to go about giving  
The connection between generous giving and prosperity  
Why get-rich-quick schemes like gambling are wrong  
"When you give as God has commanded, you will find it liberating, rewarding, joyous, and profoundly enriching"  
-John MacArthur  
Find out in this book how the blessings that go with giving can be yours.

About the Author  
John MacArthur is the pastor-teacher of Grace Community Church in Sun Valley, California, president of the Masters College and Seminary, and featured teacher with the Grace to You media ministry. In more than four decades of ministry, John has written dozens of bestselling books, including The MacArthur Study Bible, The Gospel According to Jesus, and Slave. He lives in Los Angeles.
