Wiley : Wiley CPA Exam Review Focus Notes 2012, Auditing and Attestation before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wiley CPA Exam Review Focus Notes 2012, Auditing and Attestation:

0 of 0 people found the following review helpful. Excellent!!By funkymofoi really like the Wiley Focus Notes and they have been an integral part in my study plan for the last 2 sections. They are very reasonable in cost and I believe could alone provide you with enough information to pass the CPA. I prefer them over the other (longer) Wiley study material.0 of 0 people found the following review helpful. Nice, quick resourceBy CustomerThis was a good supplement to my becker material. I keep this in my pocketbook along with the Wiley test bank app on my cell. When I'm on the go and can't break out my computer I use the two to get a quick little study session in0 of 0 people found the following review helpful. Very Beneficial OverviewBy pbcook"Note, noun, A minute, memorandum or short writing intended to assist the memory." This book is filled with helpful notes designed to provide a "comprehensive, yet simplified study program." The book follows on the larger Wiley CPA exam review book by dividing the Audit exam into 8 modules. With each module, this book bullets important points succinctly without follow up multiple choice questions or simulations like the larger Wiley book. It is a helpful resource that can be used to review the entire exam in a few hours. Due to its length, the authors were not able to include as much information as I would have liked in the book but, because the book is a simplified study book, that is to be expected. Overall, it has proven to be a beneficial supplemental study resource.

The one-stop resource reinforcing concepts for the new computerized CPA Exam in an easy-to-read-and-carry spiral bound formatWiley CPA Exam Review Focus Notes: Auditing and Attestation, 2012 reinforces key concepts for the new computerized CPA Exam in an easy-to-read-and-carry spiral bound format.
