**Tory Johnson, Robyn Freedman Spizman : Will Work from Home: Earn the Cash--Without the Commute** before purchasing it in order to gage whether or not it would be worth my time, and all praised Will Work from Home: Earn the Cash--Without the Commute:

1 of 1 people found the following review helpful. Work From Home and Be Encouraged!By cjCould have added much more detailed description for suggestions. For those who are not already adapt at business, they would still have to do lots of research for simple processes and procedures to shore up even their initial business filings. I appreciate what the authors attempt to do. There is, however, plenty of fluff included. Might recommend for those who really do not have a direction to proceed from home. Might recommend for those with insight into their chosen business, because you

might add to your brainstorming and it is a quick and simple read. ~Be encouraged! 1 of 1 people found the following review helpful. So, you want to work from home? By Kay This is a good book that provides you with Work from Home options. Tory Johnson is a terrific author and has lots of great ideas to help you make extra income from home. She explains how to avoid scams, what to look for when looking for a work from job, tips to help you find that perfect job and how to land that perfect work from home job. Very informative and easy to understand. I would suggest this book to friends and family. 0 of 0 people found the following review helpful. Helpful Resource By onevoicecounts This is a helpful read for someone considering home officing or starting a home-based business.

Escape the cube. Ditch the commute. It's not just a dream anymore. Many people already spend 12 hours a day getting to work, working, getting home from work. Here's some good news: thanks to advances in technology, acceptance of outsourcing, the trend towards corporate flextime, and other factors, working from home is easier than ever. Good Morning America's Workplace Contributor Tory Johnson and consumer advocate Robyn Freedman Spizman tell readers exactly how to turn today's cultural change to their advantage without giving up an income. Specific business plans will teach them how to: ? Take their current position home ? Find a new company whose policies will allow them to work from home ? Reseach a product they believe in, and sell it from home ? Start their own business, doing something they love, for a minimal initial investment With real-life stories, a step-by-step plan, resource guides, and lists of scams to avoid, this is the book that will help readers finally make the leap??and show them that they don't have to give up their family, creativity, or peace of mind to earn a decent salary.
