Joseph Novitski : Wind Star: The Building of a Sailship before purchasing it in order to gauge whether or not it would be worth my time, and all praised Wind Star: The Building of a Sailship:

A Finnish-born American entrepreneur builds his dream ship, the first modern sailing cruise ship, with a team of shipping business men, naval architects, and engineers, wise shipbuilders, a temperamental designer and an essential

woman. Thirty years later, the ship and her sisters are still in service on the world's oceans.

"You want to cheer. You also want to go sailing." —Christopher Lehmann-Haupt, The New York Times
