Lou Holtz : Winning Every Day: The Game Plan for Success before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning Every Day: The Game Plan for Success:

0 of 0 people found the following review helpful. Great Read From a Great CoachBy Edward J. BartonCoach Holtz was the face of Notre Dame during my 4 years as a student there in the early 1990's. This book captures the humor stories, drive, motivation and philosophies of this amazing motivator, coach and person. Overcoming great odds to achieve success, Holtz conveys his philosophy of focus, discipline, perseverance, dedication and humility in this entertaining and easy to read book. Covering elements from his own life, as well as stores of friends, fellow coaches and former players, Holtz brings a touch of humor, homespun yarn and approachability to his philosophy. Having seen

it in action during college, he does live the philosophy - and truly is a driven, disciplined and humble individual. A great read by a great coach.0 of 0 people found the following review helpful. looking forward to a goodBy JOHN P. ANGUIANOWill read at my leisure, looking forward to a good read0 of 0 people found the following review helpful. Great book from a proven winner no matter where he coached.By QGreat book full of practical and beneficial information for everyone. Writes about fundamentals, principals, honor, integrity, and responsibility as an individual that translates to teams/business concepts.
