Business Growth: A Guide to Sales Success and Business Growth:

Winning in the Trust Value Economy has grown from the wisdom and strategies of CEOs who are flourishing in this challenging economy. Here is what they are doing to reshape their cultures, develop their employees, redefine their marketing strategies and assure the overall success of their companies. For them it is an exciting time and if you are willing to work, if you are willing to commit to innovation, if you are willing to take a little risk and be open to new ideas and strategies, this is your economy too. Winning in the Trust Value Economy contains all you need to know to make this economy work for you and with it you will be more than prepared to go out there and succeed like never before. Meridith Elliott Powell is founder and owner of MotionFirst. A certified coach, speaker, and business development expert.
