Charles D. Ellis : **Winning the Loser's Game, 6th edition: Timeless Strategies for Successful Investing** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Winning the Loser's Game, 6th edition: Timeless Strategies for Successful Investing**:

7 of 7 people found the following review helpful. Ellis is one of the three best investment writers ever. However his sixth edition has added some 75 pages but only created a book that tries to solve too many issues. Get the 4th edition. It's his optimum book. Luckily, I bought his first edition a few months after issue. It has been my investment guide for the past 30 years. 14 of 15 people found the following review helpful. Best Investment Book I've read. Mr. Ellis' credentials were what brought me to buying this book. But his logic and math were what convinced me about indexing. There have been many articles in the WSJ and Fortune recently about big money managers saying indexing is the best way to invest in the market. After reading this book, I understand why. I changed all my accounts to low cost index funds when I was done and won't look at them again for years. 2 of 2 people found the following review helpful. Book of Wisdom. This is a book of life's wisdom - not only for financial investment but for life investment. In this book, Charley reveals some hidden secrets in our life that are deeply woven and buried in the fabric of a person's daily life -- they are so obvious but most people do not see them, do not feel them. Yet once exposed, these principles can empower a person to live a better life. I highly recommend this book to both investment professionals and people of other walks of life.

The classic guide to winning on Wall Street--completely updated and expanded! The go-to guide for anyone seeking long-term gain in the stock market, *Winning the Loser's Game* was referred to by the great Peter Drucker as "by far the best book on investment policy and management." Dr. Charles Ellis, dubbed "Wall Street's Wisest Man" by *Money* magazine, has been showing investors for three decades how stock markets really work and what individuals can do to be sure they are long-term winners. Now, in this new edition of his investing classic, Ellis helps you succeed in a market that's becoming more unpredictable by the day. Applying wisdom gained from half a century of advising many of the leading investment managers and securities firms around the world, Ellis explains how individual investors can avoid common traps and get on the road to investment success. With fully updated facts, charts, and figures, this new edition of *Winning the Loser's Game* is packed with all new material, including: U.S. government bonds: Why they're no longer a safe bet for long-term investors Active management: Fees are higher than ever. Are they worth it? The investment management industry: They make huge profits--but how well do they serve you? Behavioral economics: Know yourself--and you'll be a better investor With *Winning the Loser's Game*, you have everything you need to set realistic objectives and a powerful investing strategy that will take you well into retirement. Experts praise *Winning the Loser's Game*: "Charley Ellis has been one of the most influential investment writers for decades. This classic should be required reading for both individual and institutional investors." -- BURTON MALKIEL, Author, *A Random Walk Down Wall Street* "The best book about investing? The answer is simple: *Winning the Loser's Game*. Using compelling data and pithy stories, Charley Ellis has captured beautifully in this new and expanded edition of his classic work the most important lessons regarding investing. In today's unforgiving environment, it's a must-read!" -- F. WILLIAM McNABB III, Chairman and Chief Executive Officer, Vanguard "No one understands what it takes to be a successful investor better than Charley Ellis and no one explains it more clearly or eloquently. This updated investment classic belongs on every investor's bookshelf." -- CONSUELO MACK, Executive Producer and Managing Editor, *Consuelo Mack WealthTrack* "A must-reread classic. . . ." -- MARTIN LEIBOWITZ, Managing Director, Morgan Stanley Research "Winning the Loser's Game has long been required reading for professional investors. . . . This elegant volume explores approaches for individuals, such as relying on intellect rather than emotion and building a personal portfolio by taking advantage of what other investors already know." -- ABBY JOSEPH COHEN, Goldman Sachs Co "This is less a book about competition than about sound money management. Sounder than Charley Ellis they do not come." -- ANDREW TOBIAS, Author, *The Only Investment Guide You'll Ever Need* "Winning the Loser's Game is one of those timeless investing classics that is even more valuable today than when it was first published. Reading it again, in the context of two 50 percent-plus stock market crashes since 1999, will demonstrate the wisdom of Ellis' advice." -- CBS MONEYWATCH.COM

"[A] classic investing book." *Money Magazine* 2013/04/12 About the Author CHARLES D. ELLIS advises institutions, wealthy families, and governments around the world on investing.
