**Henry J. Evans : Winning With Accountability: The Secret Language of High Performing Organizations** before purchasing it in order to gage whether or not it would be worth my time, and all praised Winning With Accountability: The Secret Language of High Performing Organizations:

2 of 2 people found the following review helpful. We have had discussion around how the book can help us be better company as a whole and individually discussed what we ...By Lisa Callahan First our Chairman and CEO of our company read this book; then passed it down to the Division Managers who read and discussed the book; they in-turn

passed it down to everyone in their business units where 90% have read the book and the other 10% is almost finished. We have had discussions around how the book can help us be a better company as a whole and individually discussed what we liked most about the book. Personally, it has helped me tremendously communicating with my boss and colleagues. We will all continue our discussions on how to think differently about accountability and how to apply it in our everyday business and personal lives. This book is a easy read - you can read it in about 1 1/2 to 2 hours and you should!!!! 2 of 2 people found the following review helpful. This book can give you the framework for a much ...By Bruce Fyfe This book can give you the framework for a much more productive and communicative culture, work or home. It helps to show how accountability isn't a negative or euphemism for "blame". Rather it explain how specificity can unlock productivity and communication in an organization. 1 of 1 people found the following review helpful. Provides an excellent definition about what accountability really is By Melissa C. Peterson Provides an excellent definition about what accountability really is, and specific steps on how to achieve improved accountability for both the owner of projects and the doer.

Success can't happen without accountability. It is that simple. For over 10 years, Henry Evans has worked with hundreds of organizations around the world, teaching and building accountability. This book offers that same guidance to you, your colleagues and your team to reach new levels of excellence and success. In *Winning with Accountability*, Henry offers a step-by-step guide to help any organization improve performance by creating a culture of accountability. The strategies in this book are simple, easy to implement...and the results are immediate! It should be required reading for every member of every team. Read, enjoy, and win with accountability!
