From Praeger : Women, Work, and Family: How Companies Thrive with a 21st-Century Multicultural Workforce before purchasing it in order to gage whether or not it would be worth my time, and all praised Women, Work, and Family: How Companies Thrive with a 21st-Century Multicultural Workforce:

A sweeping collection of new essays gathers historical background, theoretical perspectives, and the latest research on integrating work and personal life in a multigenerational workforce. • Provides insights into 21st-century work/life integration and multigenerational workforce issues and trends • Discusses organizational responses to these trends and offers strategies employers can use to help female employees integrate work and life responsibilities • Shares best practices from human resource specialists, labor attorneys, and employers for meeting the demands of the 21st-century workforce • Identifies organizations that will assist women in integrating work and family roles • Includes first-person accounts by women—managers and non-managers—of workplace strategies that have proven effective for them

"The book's 19 chapters do indeed weave a rich tapestry, making this volume appealing for students, academic professionals, and women in the workplace. . . . Summing Up: Recommended. Lower-division undergraduates and above." - Choice
About the Author
Michele A. Paludi, PhD, is president of Human Resources Management Solutions and a developmental psychologist who specializes in career development and the psychology of workplaces.
