International Monetary Fund : World Economic Outlook, October 1994: A Survey by the Staff of the International Monetary before purchasing it in order to gage whether or not it would be worth my time, and all praised World Economic Outlook, October 1994: A Survey by the Staff of the International Monetary:

The World Economic Outlook, published twice a year in English, French, Spanish, and Arabic, presents IMF staff economists' analyses of global economic developments during the near and medium term. Chapters give an overview of the world economy; consider issues affecting industrial countries, and economics in transition to market; and address topics of pressing current interest. Annexes, boxes, charts, and an extensive statistical appendix augment the text.
