**Amanda McCarthy, Kate Southam : Writing Resumes and Cover Letters For Dummies - Australia / NZ** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Writing Resumes and Cover Letters For Dummies - Australia / NZ:

0 of 0 people found the following review helpful. I cannot write a negative review just because I was dumb. By IlovemathCaution: this book is the Australian/New Zealand edition! I'm not sure what the differences are in the job markets (but they use some funny language) but I missed that little nugget before I bought the book. Some things are universal, and I can tell from the start that this book contains many universal tautologies about resume writing. I was

looking for an in-depth guide and chose this over "Resume Writing for Dummies" because of the more recent publication date. It is certainly in-depth. I'll update this review as I read deeper into the book, but I wanted to caution my American peers about the focus of the book. 0 of 0 people found the following review helpful.
