Thomas Greenbaum : You Can Do It before purchasing it in order to gage whether or not it would be worth my time, and all praised You Can Do It:

0 of 0 people found the following review helpful. Insightful Information in this bookBy AlexxThis is a very informative book for small business owners.0 of 0 people found the following review helpful. Five StarsBy Luisito77A must-have for start-ups.0 of 0 people found the following review helpful. Four StarsBy Martin RidgersA good book to read and straight to the point. Spelling needs to be reviewed.

This is a book written for the small business entrepreneur to provide them with a comprehensive overview of the various tasks that should be done to successfully start and run a small business.

About the AuthorTom Greenbaum has been a counselor with SCORE (Service Corps of Retired Executives) for four years. During that time he has worked with over 500 different clients in a wide variety of businesses. This book is based on those experienced as an attempt to give new and small businesses a resource for addressing the problems and issues they have in running their organizations.
